

Dear **6th Grade Parents,**

If your child is 11 years old and entering 6th Grade, the following Immunizations are required to enter 6th Grade:

Tdap Vaccine **Protects against Tetanus, Diphtheria, and Whooping Cough (Acellular Pertussis)**
Needs 1 dose

Meningococcal Vaccine **Protects against Meningococcal Disease**
(Menactra Vaccine) **Needs 1 dose**

Please make sure to make an appointment for a Current Physical Examination
Use the OHA Health Forms – signed by Physician
Attach Immunization Record
Return Physical Exam before the 1st Day of School

Sincerely,
Linda Malinowski RN
School Nurse
Oak Hill Academy
