

Art Programs Summer 2017

Week 1 – June 19-23, 2017

Summer Painting Camp 1 - This camp will teach acrylic painting techniques that focus on texture, movement, composition and color theory. Students will learn to mix their own colors, set up and clean up their painting supplies and paint on canvas.

- *open to students entering 1st grade – 8th grade in the Art Room*
- **8:00-9:30**
- **\$165**

International Chefs & Bakers - Take a trip around the world with Mrs. Savarese. Students will discover the world through reading, cooking, and hands on activities. Each day students will learn about a different country around the world. Students will hear stories from this country, learn about its culture, and create a meal from that part of the world as well as make a special craft each day. At the end of the week, students will leave with their very own cook book highlighting the recipes created over the week.

- **Open to students in grades 1-4**
- **8:30-11:30am & option= (11:30am-12:00pm extra time for lunch)**
- **\$300 & option = (\$325 – please note students must provide their own lunch)**

Let's Clay Around - Clay is something that is fun for everyone! Students will have the opportunity to work with three types of clay, ceramic clay, Model Magic and Sculpey clay.

- *open to students entering 1st grade – 8th grade in the Art Room*
- **9:30-11:00 option= (11:00-11:30 – Bring Your Own lunch. Only Small snacks will be provided.)**
- **\$165 & lunch option = (+\$25)**

Lights Up: Putting on a Play: Session A – Budding actors will perfect their performance skills by participating in a variety of Drama games and exercises that will improve their stage presence, diction, projection, and movement. A large part of the day will be spent working together devising an **original play** that will be performed in the Student Activities Center for family and friends on the last day of class. Working on scenery as well as gathering props and costumes for the performance will be included, too! There will be a short snack break; please pack a light morning snack and something to drink each day.

- *open to students entering grades 3rd - 9th.*
- **9:30am – 12:00pm (Performance June 23 @ 11:30am in SAC)**
- **\$215**

Crafts that Rock - The most obvious benefit of doing arts and crafts is that the activity foments creativity. This summer we will be tie-dying, painting, creating Sculpey clay jewelry and sculptures, using various methods of kiln fired ceramics, Model Magic, Macramé, and other crafting techniques.

- *open to students entering 1st grade – 8th grade in the Art Room*
- **11:30-1:00**
- **\$165**

Lego Camp 1 - Colorful and easy to use, Lego bricks have withstood the test of time because of their unlimited open-ended possibilities. There is not just one way to play with a set of Legos. Join us this summer for a few days of Lego fun.

- *open to students entering Kindergarten –8th grade in the Art Room*
- **1:00-2:00 pm**
- **\$100**

Week 2 – June 26-30, 2017

Summer Painting Camp 2 - This camp will further explore acrylic painting techniques that focus on the Elements of Art and the Principles of Design. Students will experiment with different painting techniques, set up and clean up their painting supplies and paint on canvas.

- *open to students entering 1st grade – 8th grade in the Art Room*
- **8:00-9:30AM**
- **\$165**

Disney Musicals Drama Camp! - Bring the magic of Disney to life on stage at OHA! Each day budding performers will meet in the SAC to reenact scenes as well as learn songs and dances from their favorite Disney Musicals such as "The Lion King," "The Little Mermaid," "Peter Pan," "Aladdin" and "Frozen" just to name a few. The students will also take part in a variety of drama games and movement exercises as well as making masks and puppets. There will be a short snack break; please pack a light morning snack and something to drink each day. (sorry no early drop off)

- *open to students entering grades 1st – 4th.*
- **8:00am – 9:15am**
- **\$100**

Lego Camp 2 - Colorful and easy to use, Lego bricks have withstood the test of time because of their unlimited open-ended possibilities. There is not just one way to play with a set of Legos. Join us this summer for a few days of Lego fun.

- *open to students entering Kindergarten –8th grade in the Art Room*
- **8:00-9:30AM**
- **\$140**
