Dear Linda,

It's wonderful to say thank you for all your support. Thank you because God has chosen you to be a part of my life, that is so nice to be a member of my family. I appreciate all the work you have done for me, God will continue^{to} bless you. The things that are the most important to me are school and soccer, but the school is so important to me I want~~to~~ finish school. My favorite subject is science, soccer is my favorite sport because it's a fun game and I enjoy to play it with my friends. I want~~to~~ thank you again for the love that God put in your heart to give it to another person. May the Lord be with you and the spirit.

Love Louis Kendy.
