

Report of Family Contribution/Notification:

- SSS will generate a report that will estimate the amount a family can contribute to the educational expenses for their child(ren).
- Oak Hill Academy will use the RFC as a guide in awarding tuition assistance. OHA will have to take into consideration the following factors:
 - Total amount of tuition assistance that we will be distributing
 - Number of qualified applicants
 - Date of tuition assistance application as awards are based on a limited budget
- Tuition Assistance awards are determined by a Tuition Assistance Committee of OHA administrators.
- Written notification of the tuition assistance decision will be sent by the Tuition Assistance Committee in a timely manner.

Additional Notes:

- Each parent/family/household, regardless of custodial arrangement, must fill out a complete tuition assistance application for each household. All parents/guardians' information and tax documents should be included.
- Parents must re-apply for tuition assistance every year, due to possible change in a family's financial circumstance and/or the amount of funds available from OHA.
- Tuition Assistance and Admissions are two separate processes. The tuition assistance decision is made after the student is accepted.
- If there are extenuating circumstances affecting your family's financial stability, parents are asked to document these factors and submit the documentation to OHA as part of your tuition assistance application.
- All conversations, financial records, correspondence, and tuition assistance information will be kept in the strictest confidence.

TUITION ASSISTANCE PROGRAM

POLICY

Oak Hill Academy has established a tuition assistance program to assist families of qualified children meet the cost of an OHA education. The school gives tuition assistance to help maintain a diverse socioeconomic and multicultural student population. It also serves to help prevent the loss of current students because of rising tuition and/or families' financial difficulties. Our goal is to enrich the learning and living environment for all our students. Every student and his/her family bring a special set of gifts to contribute to the mosaic of the school community.

PROGRAMS

Tuition assistance will be available to qualifying families, regardless of the number of children they have enrolled at OHA. Application is made through School & Student Services (SSS) by the National Association of Independent Schools (NAIS). Tuition assistance is limited and awards will be based on the total amount of tuition assistance available from OHA, as well as the number of qualified applicants. In the awarding process, some consideration will be given in filling openings that would otherwise remain vacant. Oak Hill Academy is not able to offer full tuition assistance to any student at this time.
