

Dear Third Grade Families,

We are so excited to have you join us this year. This summer you will be asked to read one realistic fiction story and one historical fiction book. The stories are *Alvin Ho: Allergic to School, Girls and Other Scary Things* by Lenore Look and *Ann Fights for Freedom: An Underground Railroad Survival Story* by Nikki Shannon Smith.

When you have finished reading both books you are going to complete two activities from the reading choice boards for each book. This means you will be bringing in a total of four assignments when we return to school. All of the activities on the choice board have a template, which you will be able to find after the three choice board slides. You can print the pages out to complete the activities you choose. Please make sure you read the directions for each project carefully before starting them. Be sure to write neatly and use your best drawing and coloring skills!

We can't wait to see all of your hard work when you return to school!

Best,

Mrs. Staley and Miss Cieri
