TUITION ASSISTANCE PROGRAM

POLICY

Oak Hill Academy has established a tuition assistance program to assist families of qualified children meet the cost of an OHA education. The school gives tuition assistance to help maintain a diverse socioeconomic and multicultural student population. It also serves to help prevent the loss of current students because of rising tuition and/or families' financial difficulties. Our goal is to enrich the learning environment for all our students. Every student and his/her family bring a special set of gifts to contribute to the mosaic of the school community.

PROGRAM

Tuition assistance will be available to qualifying families, regardless of the number of children they have enrolled at OHA. Application is made through Blackbaud Financial Aid Management. Tuition assistance is limited and awards will be based on the total amount of tuition assistance available from OHA, as well as the number of qualified applicants. In addition, awards will be considered based on the date of application until the Tuition Assistance budget has been exhausted. During the 2025-2026 school year, 27% of our students received some level of tuition assistance. Oak Hill Academy is not able to offer full tuition assistance to any student at this time.

PROCEDURE

Overview: Parents must fill out an application online and submit certain income and tax information. This application asks several detailed questions about your family's income and expenses. Based on the financial information you provide, Blackbaud Financial Aid Management will provide the school with an estimated amount that your family can contribute to educational expenses. This helps schools make fair and objective tuition assistance decisions. Parents are advised to follow deadline dates.

How to apply:

Access Application at: <https://studentfinancialaid.blackbaud.school/>

Deadline Dates:

11/1/25 - Tuition Assistance application becomes available for the 2026-2027 school year.

Please Note: If you are applying for Tuition Assistance before tuition is set for the 2026-2027 school year (usually in January), the tuition amount will show the 2025-2026 tuition amount. The tuition field that appears in Blackbaud Financial Aid Management is calculated by adding the tuition and school fee together.

2/13/26 - Current families must apply for Tuition Assistance **and** submit required documentation along with re-enrollment. Application and submission after 2/13/26 may put a family in jeopardy of excluding themselves from receiving tuition assistance for that year.

Families that are new to Oak Hill Academy that apply for admissions after 2/13/26 will be considered on a rolling basis and are encouraged to submit their Tuition Assistance application as soon as possible. Tuition assistance applications should be submitted **at the same time** as the admissions application.

Early March – Notifications of awards are sent out if applied and submitted all required documentation by 2/13/26.

Additional Notes:

- Each parent/family/household, regardless of custodial arrangement, must fill out a complete tuition assistance application for each household. All parents/guardians' information and tax documents should be included.
- Parents must re-apply for tuition assistance every year, due to possible change in a family's financial circumstance and/or the amount of funds available from OHA.
- Tuition Assistance and Admissions are two separate processes. The tuition assistance decision is made after the student is accepted. Therefore, families should apply for tuition assistance at the same time that they apply for enrollment.
- If there are extenuating circumstances affecting your family's financial stability, parents are asked to document these factors and submit the documentation to OHA as part of your tuition assistance application.
- All conversations, financial records, correspondence, and tuition assistance information will be kept in the strictest confidence. It is the school's policy to keep all tuition assistance information confidential. The school requests that families receiving tuition assistance also keep this information confidential in order to protect individual privacy.
- Tuition Assistance awards are based and contingent upon all children in the family enrolling in Oak Hill Academy that have applied for Tuition Assistance. If circumstance change and not all children in the family enroll in Oak Hill Academy, there will be a reconsideration of the award.
