

**PLAY IT FORWARD & LOCK IT IN**

**OAK HILL ACADEMY  
WALKATHON 2026**

Building on the excitement and success of last year’s event, we are proud to announce our 2026 Walkathon, the **“Play it Forward & Lock it In”** Walkathon and Raffle which will take place at Oak Hill Academy on May 18, 2026. This family-friendly event will bring together students, parents, grandparents, alumni, teachers and friends, all walking to support our school. We look forward to a fantastic turnout and the continued generosity of our community as we raise funds for improvements that will make a lasting impact on our students and campus!

The goal of this year’s Walkathon fundraiser is to raise money for much anticipated improvements to our school community. Funds raised will support various initiatives such as the installation of brand new, modern lockers in the Upper School hallway, as well as updates and enhancements to our Lower School playground area. Although serviceable, the current lockers are showing some wear and tear and are due for an upgrade. Replacing them with modern, efficient lockers will furnish students in grades 5-8, organized, secure storage and create a brighter, more functional hallway space. Renovation to our Lower School playground will help provide safe, welcoming spaces that offer an engaging place for students to play, connect, and recharge. Together, these thoughtfully planned improvements represent a meaningful investment in our students’ daily experience and the future of our school. These upgrades will require significant investments at over \$125,000.

To make this vision a reality, we have launched a capital campaign: “Play it Forward & Lock it In!”

A primary component of this campaign is our **“Play it Forward & Lock it In” Giving Opportunities**. Generous donors will be recognized on a large “forever” plaque that will be proudly displayed on the wall of the Scire Student Activity Center. The following levels of giving are available:

- \_\_\_\_\_ \$10,000 + Encore Society
