First Grade Club Schedule and Descriptions

Descriptions:

Extra Reading Help: The First Grade teachers will host Extra Reading Help on Monday afternoons from 2:30-3:05 PM. This time is set aside to help students develop their reading and writing skills and bridge any gaps we may be seeing in the classroom. This club is by invitation only. Your child's 1st grade teacher will reach out to you if we would like your child to participate. Please send a snack for your child. Pick-up after club is in the Lower School circle.

Discovery Club: The First Grade teachers will host Discovery Club on Tuesday afternoons from 2:30-3:05 PM. The children will explore their curiosity of new concepts through virtual field trips, STEM projects, and more! Every week we will explore new ideas, different cultures, nature, outer space, holidays, etc. Please send a snack for your child. Pick-up after club is in the Lower School circle.

Game Club: The First Grade teachers will host Game Club on Wednesday afternoons from 2:30-3:05 PM. The children will have fun playing with their classmates after school as the teacher introduces new and classic games. It is a great way to unwind after a busy day of learning! This club will alternate with Book Club every week. Please send a snack for your child. Pick-up after club is in the Lower School circle. The following are the dates that Game Club will meet on: 9/9, 9/23, 10/7, 11/4, 11/18, 12/16, 1/13, 2/17, 3/3, 3/17, 4/14, 4/28, 5/19, 6/2.

Book Club: The First Grade teachers will host Book Club on Wednesday afternoons from 2:30-3:05 PM. The children will read different books throughout the year and participate in lively book talks and projects based on the book! Please send a snack for your child. Pick-up after club is in the Lower School circle. The following are the dates that Book Club will meet on: 9/16, 9/30, 10/28, 11/11, 12/2, 1/6, 1/27, 2/24, 3/10, 4/7,4/21 5/12, 5/26

Math Club: The First Grade teachers will host Math Club on Thursday afternoons from 2:30-3:05 PM. This is a great opportunity for your child to receive extra attention on math concepts they may be struggling with in class. This club also provides enrichment for students who want a little more of a challenge! Students will play ST Math where they solve math problems with the help of JiJi. This is a program that helps students build a deep conceptual understanding of the math concepts taught in first grade through wordless math problems.
